Directors' Report

IIIT Kalyani was set up in the year 2014 (21st May 2014) by Ministry of Education (MoE), erstwhile MHRD, (Government of India), Government of West Bengal, and Industry Partners on a Public-Private-Partnership (PPP) basis. It has been declared as an Institute of National Importance as per “The Indian Institutes of Information Technology (Public-Private Partnership) Act, 2017 No. 23 of 2017”. IIIT Kalyani aims to excel in education and research in Information Technology and allied disciplines and is committed to providing state-of-the-art technical education in Computer Science and Engineering, and Electronics and Communication Engineering, as also as catalyzing the transmission of knowledge through the latest advancements in pedagogy. IIIT Kalyani was established by the Government of India to synchronize the growing demand for Information Technology. Presently, IIIT Kalyani is offering B.Tech. (CSE) program with 118 seats, B.Tech. (ECE) program with 60 seats, Ph.D. (full-time and part-time), an Executive M.Tech. program (online) on Artificial Intelligence and Data Science.

The Institute's placement record continues to be impressive. In 2021, 84% of students found placements, while in 2022, a 100% record was reached. For the batch of 2023, almost 90% of the graduates have been placed. Regarding placement metrics, such as the highest domestic salary offered, the percentage of students placed, and mean and median offers, our institution consistently ranks among the top in the country.

The faculty members and the students at IIIT Kalyani have been actively contributing to cutting-edge research, which is often multidisciplinary in nature. In the last academic year, our faculty members and students published seventy-three research articles, including forty-one journal papers, twenty-eight conference papers, four book chapters and four books. One Indian patent has been granted in the academic year 2022 – 2023. They have also successfully organized two faculty development programs, sponsored by IIIT Kalyani, and AICTE. Sponsored projects are critical for augmenting the research culture of the Institute. The Institute has eleven ongoing projects funded by reputed agencies, such as DRDO, SERB, ITEA, MeitY (C2S), MoES, ISI Kolkata, and so on, with a total outlay of Rs. 116.60. Some more projects are in the final stages of approval.

Our students have won several medals/prizes in many external events, including hackathon by Hero Motocorp 2022, Google Summer of Code 2022, and Smart India Hackathon 2022.

The Institute has signed MoUs with reputed national and international institutes and software companies – Institute of Space Science, National Central University, Jhongli, Taiwan, Bose Institute, Kolkata, Krisko Software Private Limited Bangalore, All India Institute of Medical Sciences (AIIMS), Kalyani, West Bengal National University of Judicial Sciences, West Bengal Electronics Industry Development Corporation Limited (WEBEL), and RISE (IISER Kolkata).

The Institute is also emphasizing research linked to sustainable development goals and creating a culture of innovation on campus leading to both intrapreneurship and entrepreneurship. In order to foster the spirit of innovation, the Institute Innovation Council (IIC) has been set up. Among other activities, the Institute Innovation Council has been organizing talk series by leading experts in various domains. Under the PPP model, the permanent campus of the Institute is coming up on land with about 50 acres earmarked at Kalyani. The boundary wall has been constructed, and the Phase-I buildings are almost 80% completed. The Phase-I construction has provisions for the G+4 Academic Block, G+6 Boys' Hostel, G+3 Girls' Hostel, Guest House, and Amenity Block. The construction work is in full swing with a fund contribution of 50% from the Government of India, 35% from the Government of West Bengal, and 5% contributions from each of the three private partners, namely WEBEL, Rolta Foundation and Coal India Ltd. The Institute acknowledges the contributions of each of the stakeholders in this respect and expects continuous support in the coming days.

Academic Units

IIIT Kalyani currently has five basic academic units that form the academic departments, namely Computer Science and Engineering (CSE), Electronics and Communication Engineering (ECE), Mathematics (MA), Physics (PH), and Humanities (HU).

Academic Programs

The academic structure of IIIT Kalyani exhibits the diversity, comprehensiveness and depth befitting an institution of its age and stature. The programs/courses offered at the Institute have the flexibility to evolve and change in response to new requirements and serve the dual purpose of building a solid foundation of knowledge while enhancing confidence, creativity and innovation among the students. A unique attribute of IIIT Kalyani's academic structure is the autonomy enjoyed by the faculty in designing and structuring their curriculum and courses. While there are no individual departments, the basic academic units deliver the respective courses. Some courses are offered jointly by multiple academic units and are classified as interdisciplinary courses. The academic environment ensures productive, personal contact between the student and the teacher. The credit-based academic programs of the Institute offer flexibility to students to progress at their own pace.

Undergraduate Program (B.Tech.)

The undergraduate program aims to mold young talents into engineers who can recognize and solve problems in different technical and social domains. The main emphasis of the program is to instill inquisitive thinking and curiosity with a sense of service to the nation and society at large. IIIT Kalyani has been offering B.Tech. in Computer Science and Engineering since 2017, and Electronics and Communication Engineering from 2021. The Institute has designed its course structure based on the curriculum of IIT Kharagpur, IIT Kanpur, NIT Durgapur, IIIT Allahabad, IIIT Delhi, IIIT Hyderabad, and other reputed institutes of national importance, and aligning the curriculum as per projected industry need. This has been the rationale for incorporating career-oriented subjects like Cryptography, Information Security, Image Processing, Artificial Intelligence, Machine Learning, Deep Learning, Data Analytics, Blockchain, IoT, etc., into the curriculum (some as compulsory subjects while others as electives). Compulsory project work is included in the curriculum for third-year and fourth-year students. Students are envisaged to learn the practical application of Artificial Intelligence, Machine Learning, Deep Learning, Data Analytics, Computer Vision, etc. while doing their project work.

Postgraduate Program (Online Executive M.Tech.)

IIIT Kalyani has introduced an online Executive M.Tech. program on Artificial Intelligence and Data Science from July 2021. The aim of the Executive M.Tech. program is to cater the requirements of manpower trained in the emerging area of Artificial Intelligence and Data Science (AIDS) technologies. The program has been designed to prepare the candidates to take challenges in the areas of Artificial Intelligence, Deep Learning, Security, Visual Information Processing, Internet-of-Things, and Blockchain in the IT industry. This course is designed to allow professionals to pursue M.Tech. in a part-time mode as off-campus students. The classes are conducted by the faculty members of IIIT Kalyani as well as industry experts and managed by the Continuing Education Program (CEP) Cell, IIIT Kalyani.

Ph.D. Program

To foster research activities and develop a progressive research environment, IIIT Kalyani also initiated the Doctor of Philosophy (Ph.D.) Program in the year 2018. Now, the institute is offering both full-time and part-time Ph.D. Programs and a student is selected based on admission test/interview. The students are also enrolled under sponsored projects. Currently, we have 15 full-time and 52 part-time Ph.D. students enrolled and doing research toward their doctoral degrees. One student has been awarded a Ph.D. degree in the year 2021. In addition to that, 30 students have completed their Ph.D. registration seminar. IIIT Kalyani awards a Ph.D. degree in Engineering/Science to a candidate after successfully completing the stipulated research program. The Senate formulates the program with the governing rules and regulations under the recommendation of the Departmental Research Committee (DRC) of the Institute. Every scholar admitted to the Ph.D. program, undertakes research under the guidance of a faculty member of the academic unit in which he/she is admitted. A candidate becomes eligible for the award of a Ph.D. degree after fulfilling all the academic requirements prescribed by the Senate with the recommendation of DRC of the Institute.

List of Computer Science and Engineering (CSE) students graduated in the year 2022 (Batch: 2018 – 2022)

The number of students appeared for the final examination in the year 2021 - 2022 is 96 (91 students from the registration year 2018 – 2019, and 05 students from the registration year 2017 – 2018). The number of students graduated in the year 2021 is 93 (89 students from the registration year 2018 – 2019, and 04 students from the registration year 2017 – 2018).

Faculty Members and Academic Staffs

IIIT Kalyani has regular faculty, visiting faculty, and academic staff members. The detail strength is given below.

Sl. No.	Employee	Stream	Number
1	Professor	Electronics and Comm. Engg.	01
2	Professor (visiting)	Electronics and Comm. Engg.	01
3	Assistant Professors	Computer Sci. and Engg.	07
4	Assistant Professors	Electronics and Comm. Engg.	04

5	Assistant Professor (On contract)	Electronics and Comm. Engg.	01
6	Assistant Professor	Physics	01
7	Assistant Professor	Mathematics	01
8	Assistant Professor (On contract)	Mathematics	01
9	Technical Assistants	Computer Sci. and Engg.	04
10	Technical Assistant	Electronics and Comm. Engg.	01

The current incumbents to the above positions are summarized below.

Computer Science and Engineering (CSE)

- Dr. Imon Mukherjee
- Dr. SK Hafizul Islam
- Dr. Sanjoy Pratihar
- Dr. Oishila Bandyopadhyay
- Dr. Sanjay Chatterji
- Dr. Debasish Bera
- Dr. Bhaskar Biswas

Electronics and Communication Engineering (ECE)

- Prof. Santanu Chattopadhyay
- Prof. Bhabatosh Chanda
- Dr. Dalia Nandi
- Dr. Rinky Sha
- Dr. Pratik Chakraborty
- Dr. Amit Ranjan Azad
- Dr. Bapi Kar

Physics

- Dr. Uma Das

Mathematics

- Dr. Anirban Lakshman
- Dr. Sudeshna Mondal

Faculty Members

Unit: Computer Science and Engineering

Dr. Imon Mukherjee, Ph.D. [Jadavpur University]

Tenure: 01/07/2016 – till date

Area of Interest: Steganography, Data Analytics

Technical Assistants

Name	Qualification	Area of Interest	Assigned Lab	Technical Expertise
Mr. Samim Rahaman (Tenure: 14/10/2016 - till date)	MCA	DBMS, Python	Java, Python, C++, C, DBMS, Compiler Design, Operating Systems, Algorithms - I, C Programming, Data Structures	Information Technology Enabled Services, Computer Training For Hardware Network.
Mr. Amit Kumar Sadhukhan (Tenure: 18/10/2016 - till date)	B.Tech. (ECE)	VLSI Design, Developing Arduino and Raspberry	Digital electronics, Analog Electronics, Microprocessor and Microcontroller, C Programming, Data Structures	Micro architecture, Clocks, Combinational and sequential logic, Various Circuit law along with their Circuit based analysis, rectifier circuits, Good knowledge in practical's on micro controllers (8085, 8051), Debugging skills – Basic Electronics Debugs and Troubleshooting
Mr. Biswajit Halder (Tenure: 09/10/2018 – 14/02/2013)	M.Tech. (Computer Technology)	Network Security, Programming (C/C++/Python)	Operating Systems, Computer Networks, DBMS, Introduction to Environmental Data Science, Data Structures, Data Science I (Python), Compiler Design, Computer Organization and Architecture	Programming (C/C++/Python), Software Defined Security, Handling all network equipments and peripheral devices including Router, Firewall, Switch, IDS, IPS, Printer, Scanner.
Ms. Sreejoyee Das (Tenure: 06/11/2018 – till date)	B.Tech. (CSE)	Web and Software Development	Data Structures, Java, Scilab, Programming with C/C++, Operating systems, Algorithms - I, Algorithms - II	Web and Software Development
Ms. Riya Dey (09/01/2023 2023 – till date)	M.Tech. (ECE), Pursuing Ph.D.	Antenna Engineering	Circuit Theory, Analog electronics, Digital electronics, Semiconductor devices theory, Basic electrical and electronics	Analog electronics, Digital electronics, Circuit Theory, Semiconductor devices, Electromagnetic theory, Antenna theory,

				Microwave devices, Ansys HFSS software, CST microwave studio software.

Fourth Induction Program

Indian Institute of Information Technology Kalyani organized a one-day induction Program for the fresh entrants to the incoming B.Tech. Batches of CSE and ECE departments (2022-2026). This program was conducted on 25th November 2022. A total of 165 students participated in this program. The objective of this program was to uplift the level of the entrants to an elevated stage, promote all-round development, and expose learners' stigmas to minimize and maximize their learning. Students are admitted with diverse thoughts, backgrounds, and perceptions. Hence, it becomes important to help them adjust to the new environment and inculcate the ethos of the institution with a sense of larger purpose. This program helped to provide a platform for the transition of students from school to hard-

core engineering. The inaugural speech was delivered by Prof. Santanu Chattopadhyay, Director, IIIT Kalyani. The induction program comprised several exciting activities, such as introducing administration and faculty members along with their areas of expertise, campus orientation sessions, etc. Moreover, speeches were delivered by the Faculty-in-Charge of Academics, Examination cell and T&P cell. There was a special session where the freshers could ask questions and interact with the faculty members. All the personnel involved in the program worked extensively to ensure that the induction program is well organized.

Academic Calendar

The academic session begins in the second week of July every year and ends in the second week of May. It has two semesters: (i) Autumn semester: from the second week of July to the last week of November, and (ii) Spring semester: from the first week of January to the last week of May. The exact dates of all the important events, such as orientation, registration, commencement of classes, submission of documents, examinations, submission of grades, vacation, mid-semester recess, etc., during the Academic Session are specified in the Academic Calendar of the Institute. The academic calendar is published on the Institute website (www.iiitkalyani.ac.in) at the beginning of every academic session.

Career Development

The Training and Placement (T&P) Cell at IIIT Kalyani is actively engaged in facilitating summer internships for 3rd year B.Tech. students and securing placements for 4th year B.Tech. students. This endeavor is spearheaded by the faculty-in-charge of T&P, with support from student coordinators representing final-year and pre-final-year students. Serving as a vital bridge between the Institute and the Industry, the T&P Cell plays a pivotal role in fostering strong relationships with prominent industries. To instill a corporate ethos and address industry requirements, the T&P Cell regularly hosts esteemed organizations and industry experts on campus, guiding our students in line with current industry

demands. The T&P Cell is dedicated to creating a robust platform for recruiters to engage with our students, thus establishing a mutually beneficial partnership.

Placement Records

For the 2017- 2021, 2018 – 2022, 2019 - 2023 B.Tech. (CSE) pass-out batches, the placement scenario has been very promising. There is a general upward trend observed both in terms of average salary offered, as well as the number of students placed. The total number of jobs offered (with a sizable number of students having multiple job offers) has also improved over the years. Our students have received internships/ job offers from both on-campus and off-campus selection processes. To name a few, CDOT, TCS, Cognizant, Infosys, Samsung SDS, Capgemini, Amazon, Ericsson, Jio Platforms, PwC, MAQ Software, Deloitte, Accolite Digital, Mihup, Octro, Vassar Labs, Thrillophilia, Yellow Class, Cogoport, DeltaX, Wipro, SAP, Ritwik, Brigosha, Publicis Sapient, CGI, Mindfire Solutions, Ivy Pods, Planet Spark, Share Chat, Nagarro, ITC Infotech, Kickdrum, Decision Point Analytics, Zensar, are some of the eminent companies who have recruited our students from the campus. The placement statistics for the 2018- 2022 and 2019-2023 B.Tech. (CSE) pass-out batches are furnished below.

Activities under IIC

1. Number and Different types of I&E and IPR activities Conducted: 6 lecture sessions
2. Number of student and faculty ideas generated: 04
3. Number of student and faculty Innovation/prototypes developed: under process
4. Number of IPs generated, published and granted: 01
5. Number of student and faculty Start-ups/Ventures established: NIL
6. Amount spent on promotion and awareness generation on Innovation Entrepreneurship in the campus: Rs. 0.3 Lakhs
7. Amount grant or fund supported to student & Faculty lead Innovations, start-ups and IPR: Institute has formed IIITK KAPILA expert committee and allocated 1% of Institute budget for IIC activities (10 Lakhs).

8. As the permanent campus of the institute is under construction and institute is functioning from a rented campus, institute is unable to arrange space and fund to support student or faculty lead innovation. A section of the admin block of upcoming campus is earmarked for institute's innovation centre. However, Institute has joined Kalyani Innovation Network (KIN) and signed MOU with IISER RISE foundation. Faculty and student members of the Institute can use the KIN TBI facility at IISER Kolkata campus.

9. Number of Technology Transfer and Commercialisation happened: Faculty members (DR. Dalia Nandi and Dr. Oishila Bandyopadhyay) are working on a project funded by IDEAS-TIH, ISI Kolkata to develop a commercial product on AI enabled Prosthetic Lower Limb.

[1]. Online Lecture Session on Innovation Day

Title: My Story - Motivational Session by Successful Entrepreneur/Start-up founder.

Date: 15 October 2022

Type: IIC Calendar Activity

Speaker Details: Dr. Kallol Mallick, Director, Azure Software Pvt. Ltd.

Key Objectives: For the attendees to gain an insight into the struggles and opportunities that entrepreneurs face and to take up entrepreneurship as a career path.

Event Details: Dr. Mallick delivered one of the most anticipated sessions on planning and implementation of an idea and shared his experiences as entrepreneur.

[2]. Online Mentoring Session by Dr. Sonali Roy

Centralized Services

The Institute provides academic facilities such as library with sufficient text books, reference books and journals, hardware and software laboratories, network facilities, etc. Along with the academic facilities, it also provides other facilities such as hostel and mess for students, transport for students between hotels and Institute, sports facility, medical facility etc.

Laboratory Infrastructure

IIIT Kalyani promotes hands on learning approach. The institute is well equipped with three technologically advanced software laboratories: Computer Networks, Operating systems, Data Structures and Algorithms, Computer Architecture and Organizations, Compiler Design, Database Management Systems, AI and Machine Learning. The Institute also has the well-developed and technologically updated hardware labs: Basic Electronics, Digital Electronics, Analog Electronics Circuits, Semiconductor Devices, Analog and Digital Communication, and Microprocessor and Microcontroller Systems. All the Laboratories are equipped with advanced equipment, components and necessary softwares to perform various experiments and projects. Our laboratories enable students to develop the capabilities to design, simulate, develop and

test electronic circuits/systems. All the laboratories are kept open from 9:30 A.M. to 5:30 P.M. as per routine on all working days and even beyond that, if required. The laboratory curriculum of IIIT Kalyani is very much updated, which is comparable to reputed institutes and industry needs.

Library

The IIIT Kalyani Library is a small technical library. It serves as the heart of the Institute, satisfying the informational needs of the students and faculty members towards the completion of their academic and research activities. The library is a fully air-conditioned room and provides a high-speed WiFi connection. It has one big room of 2040 sq. ft. It houses and maintains 4606 books, 535 magazines, 100 undergraduate theses, and 03 Ph.D. theses. The main objective of this library is to serve more than 500 students and 50 employees of the institute with printed and digital materials. The library is presently hosted at <http://iiitkalyani.ac.in/html/Library.html> with rich content. As far as e-resources are concerned, there are huge collections of e-resources comprising full-text e-journals, e-books, previous year question papers, etc. As far as facilities are concerned, the library has air-conditioned reading hall with 30 seating capacity. It is open from 10:00 A.M. to 6:00 P.M. The e-books can be accessed by login to the National Digital Library of India (NDLI). The IIIT Kalyani is one of the partners with the National Program on Technology Enhanced Learning (NPTEL) as a local chapter. The library provides online and offline access to the NPTEL video lectures.

Network Facility

The institute is facilitated with a broadband connection all around the campus. The Labs are also connected to a LAN connection, which provides fast Internet access to the desktops.

Hostels

There are presently three hostel buildings (on a monthly rental basis), two for boys and one for girls', within the Kalyani township. The following facilities are available in all hostels.

- ❖ Bus service for reaching the Institute
- ❖ Indoor games – Carroms, Chess, Badminton
- ❖ Outdoor Sports items – Volleyball, Cricket, Football
- ❖ Internet facility

Medical Facilities

IIIT Kalyani has arranged the medical facilities with the College of Medicine & JNM Hospital, Kalyani, and also through a private speciality hospital. Recently, IIIT Kalyani has implemented the CGHS rules. The regular employees of the institute can be reimbursed for their medical expenses as per the CGHS rules.

Sports & Cultural Facilities

IIIT Kalyani has arranged the indoor and outdoor sports facilities based on the agreement with the Kalyani Municipality, West Bengal. Under this initiative, students regularly practice indoor and outdoor sports at Kalyani Stadium.

The student council of the Institute has organized the Cricket Fiesta event, a thrilling intra-college cricket tournament. The event occurred from April 13 – 16, 2023, at B3 Ground. The event aimed to bring together cricket enthusiasts, promote healthy competition and motivate students for daily practice. The tournament featured ten teams competing against each other in a series of exciting matches where the grand finale was conducted between the teams “Playing 11” and “Miracle Titans”, and the latter was the tournament winner.

Cricket Fiesta 2023

The student council of the Institute has also organized the FutSoul event, a thrilling football tournament held at IIIT Kalyani. The event occurred from September 30 to October 8 08, 2023, at B3 Ground. The

tournament featured ten teams competing against each other in a series of exciting matches where the grand finale was conducted between the teams “M-10 United” and “WuShang City” and the latter was the tournament winner.

Report on review of Annual Accounts 2022-23

Scope of Work

We have performed a limited review of the Accounts of Indian Institute Of Information technology, Kalyani for the year 2022-23 in the capacity of our appointment as internal Auditor by Work order No. IITK/19/2022/4268 dated 24TH August 2022. Our work did not constitute a full scope financial audit of the accounts of the institute.

Report:

A	Compilation Of Annual Accounts
1	During the year 2022-23, the institute has entered all the financial transactions in tally software. Our review was solely based on the records maintained in tally software.
2	Opening balances of assets and liabilities as on 1 st April 2022 were duly incorporated in tally ledger from the previous year's audited closing balances.
3	The accounts have been prepared in line with MHRD format. Account heads in various schedules have been disclosed as per MHRD format as far as practicable depending upon the nature of transaction and their purpose.
4	Few assets of IIIT Kalyani, is used at IIIT Kalyani Hostel. Few recurring expenditures for hostel are also incurred and recorded in the books of account of the institute. Review of hostel expenditure is not included in our agreed scope work and hence, we are not offering any comment on the expenses incurred by the institute on behalf of hostel.
B	Fixed Assets and Depreciation
1	Opening balances of gross block and accumulated depreciation as on 1 st April 2022 have been properly brought forward from the previous year. Depreciation on respective assets has been charged as per the rates prescribed by MHRD.
2	Depreciation on the current year has been calculated on individual assets at a rate of MHRD guideline.
3	The institute has for the 1 st time started to maintain the Fixed Assets Register for F.Y.2022-23.
4	In previous years, Depreciation on Fixed Assets was calculated as per Written Down Value Method. But as per MHRD, Depreciation on Fixed Assets must be provided on Straight Line Method. In Current FY 2022-23, Asset data was provided by institute. Provision for Depreciation of Rs. 2.77 Crores was created by increasing assets to original value and Rs. 1.89 Crores assets fully depreciated, reduced from Provision and current year depreciation amounting Rs.0.47 charged on SLM basis.
C	Advance
1	Advance to CPWD Rs. 88.00 Crores was partially adjusted to the tune of Rs. 72.75 Crores through capitalization of assets leaving behind outstanding advance of Rs. 15.25 Crores at the year end.
D	Investment
1	Investment was made by the institute are not clearly identifiable for each fund.
2	There no laid down policy of the institute on, basis for allocation or distribution of Interest on Fixed Deposit.
E	Basis of Accounting
1	Income from bank interest has been accounted for on accrual basis.

2	Expenses have also been accounted for on accrual basis.
3	Institute does not maintain any Student Fees Register.
F	DEM
1	As drafts / cheques received by the institute in various tenders was not entered as cheques – in hand. books of accounts not reflect actual balance
2	After completion of tendering process drafts/cheques are return to the vendor without depositing those in bank account.
G	Hostel Income and Expenses & Statutory Liability
1	If the hostel account is separately maintained, Income, Expenses and statutory liability related to hostel should be incorporated in the Institute accounts as Institute is the principal entity of the hostel. As Institute accounts is not included hostel income, expenses and statutory liability books of accounts does not reflect the actual balance of Income, expenses, Statutory payables.
H	Income Tax Return
1	As per Sec. 139(4C) of Income Tax Act, 1961 any university or other educational institution shall require to file return. Delay in preparation of books of account leads to delay in submission of Income Tax return of AY 2022-23.
I	Tuition and Hostel fees
1	Data is entered in tally as per student list given by institute of all students of institute.
J	MOD Balance
1	MOD balances are reconciled from MOD Statements given by Bank.
K	Provision for Gratuity
	Provision for Gratuity is created in Current Year by Institute. Provision of Rs. 0.31 Crores of last year and Rs. 0.27 Crores of current year from actuarial valuation report is created. Payment for provision is due by the institute.

Separate Audit Report on the Accounts of the Indian Institute Information Technology, Kalyani, West Bengal, for the financial year ended 31 March, 2023

We have audited the attached Balance Sheet of the Indian Institute of Information Technology, Kalyani, as at 31 March 2023, the Income and Expenditure Account and Receipts and Payments Account, for the year ended on that date, under Section 19(2) of the Comptroller and Auditor General's (Duties, Powers and Conditions of Service) Act, 1971, read with Section 28(3) of the Indian Institutes of Information Technology (Public-Private Partnership) Act, 2017, w.e.f. 9 August 2017. These financial statements are the responsibility of the Institute's management. Our responsibility is to express an opinion on these financial statements, based on our audit.

2. This Separate Audit Report contains the comments of the Comptroller and Auditor General of India (CAG) on the accounting treatment only, with regard to classification, conformity with the best accounting practices, accounting standards and disclosure norms, etc. Audit observations on financial transactions, with regard to compliance with the Law, Rules and Regulations (Propriety and Regularity) and efficiency-cum-performance aspects, etc., if any, are reported through Inspection Reports/CAG's Audit Reports separately.

3. We have conducted our audit in accordance with auditing standards generally accepted in India. These standards require that we plan and perform the audit, to obtain reasonable assurance about whether the financial statements are free from material misstatements. An audit includes examining, on a test basis, evidence supporting the amounts and disclosures in the financial statements. An audit also includes assessing the accounting principles used and significant

estimates made by the Management, as well as evaluating the overall presentation of financial statements. We believe that our audit provides a reasonable basis for our opinion.

4. Based on our audit, we report that:

i. We have obtained all the information and explanations, which, to the best of our knowledge and belief, were necessary for the purpose of our audit;

ii. The Balance Sheet and Income and Expenditure Account/Receipts and Payments Account, dealt by this report, have been drawn up in the format prescribed by the Ministry of Education (erstwhile Ministry of Human Resource Development), Government of India, vide order No. 29-4/2012-FD dated 17 April 2015.

iii. In our opinion, proper books of accounts and other relevant records have been maintained by the Indian Institute of Information Technology, Kalyani, as required, insofar as it appears from our examination of such books.

iv. We further report that:

Comments on Accounts:

A General Comments

1.1 As per the 'Fixed Asset' (Schedule 4), total addition under the fixed assets was ₹0.25 crore and 'Grants/Subsidies' (Schedule 10), total Capital Expenditure was ₹37.29 crore. Thus, the discrepancy may be reconciled as per the prescribed format of accounts.

1.2 The Institute had wrongly booked an amount of ₹33 lakh under the head 'Unutilized Grants' under 'Current Liabilities and Provisions' (Schedule 3C), despite full utilization of the funds, during the financial year 2022-23. This needs to be rectified.

1.3 The Institute had wrongly booked an amount of ₹8.68 lakh under 'Current Liabilities and Provisions' (Schedule 3) towards Stale Cheques (₹8.01 lakh), Student Loan (₹0.38 lakh),

Refundable to Student (₹0.28 lakh) and Outstanding Admin Expenses (₹0.01 lakh) which have either been adjusted or to be booked as tuition fees instead. This needs to be rectified.

1.4 The Institute has not yet written back or revalidated five cheques amounting to ₹4.60 lakh pertaining to the Bank Account No.33984361509 (SBI Kalyani) which were time barred as on 31 March 2023.

1.5 The Institute had not booked an amount of ₹0.51 lakh towards Income Tax refundable under the head 'Loans Advances and Deposits' (Schedule 8), during the financial year 2022-23.

1.6 The Institute had booked ₹1 lakh instead of ₹1.02 lakh under the head 'Advance for Misc. Exp' under 'Loans Advances and Deposits' (Schedule 8) which are lying unadjusted since 2015-16.

1.7 The Institute had wrongly booked the fund balance of ₹1.12 crore (WB Govt.: ₹0.55 crore and WEBEL: ₹0.57 crore) received from the West Bengal Government under 'Designated/ Earmarked Fund' (Schedule 2) instead of booking the same under 'Unutilized Grants' (Schedule 3C).

1.8 Despite being mentioned in the previous years' Audit Report, no actuarial valuation was carried out and no provision was made in regard to leave encashment in respect of eligible employees, in terms of the format of Accounts prescribed by MoE.

B Grants-in-Aid

The Institute received Non-recurring Grants-in-aid, amounting to ₹17.00 crore, from the Government of India, during the financial year 2022-23. Further, it had an opening balance of grants (Non-recurring), amounting to ₹39.20 crore.

Interest of ₹0.02 crore, had been earned on unutilized grants. Out of the total amount of grants, amounting to ₹56.22 crore, so available, it utilized a sum of ₹37.29 crore, leaving an unspent balance of ₹18.93 crore including accumulated interest of ₹1.93 crore, as at 31 March 2023.

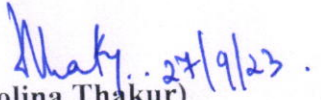

v. Subject to our observations in the preceding paragraphs, we report that the Balance Sheet, Income and Expenditure Account and Receipts and Payments Account, dealt with by this report, are in agreement with the books of accounts.

vi. In our opinion, and to the best of our information, and according to the explanations given to us, the said financial statements, read together with the Accounting Policies and Notes on Accounts, and subject to the significant matters stated above and other matters mentioned in the Annexure to this Separate Audit Report, give a true and fair view, in conformity with accounting principles generally accepted in India:

- i. insofar as it relates to the Balance Sheet, of the state of affairs of the Indian Institute of Information Technology, Kalyani, as at 31 March 2023, and
- ii. insofar as it relates to Income and Expenditure Account, of the *surplus*, for the year ended on that date.

Annexure

A. Adequacy of the Internal Audit System

The Internal Audit System of the Institute is inadequate, on account of the following:

- i) The Institute does not have any Internal Audit wing. A Chartered Accountancy firm was, however, engaged to conduct its Internal Audit. The firm has not yet prepared the Internal Audit Report.
- ii) There was no Internal Audit Manual in use.

B. Adequacy of the Internal Control System

The Internal Control System of the Institute is inadequate, on account of the following:

- i) There is no chart of accounts used by the Institute for preparation of Annual Accounts.
- ii) The heads of accounts are not coded.
- iii) Receipt forms are not serially numbered and not controlled by register.
- iv) Cancelled cheques are not mutilated.
- v) The Institute is not maintaining any record of bills, in absence of which the quantum of bills presented for payment, as well as the outstanding bills, due for payment could not be ascertained .
- vi) Non-production of Registers: The Institute had not furnished the Bill Register, Students' Fees collection register and Hostel Fees collection register to audit

C. System of Physical verification of Assets

The Institute had not conducted physical verification of Fixed Assets and Inventories during the financial year 2022-23.

D. Statutory Dues

The Institute was regular in payment of its statutory dues for the financial year 2022-23.

Part-I: Introduction

1.1 Overview

The Indian Institute of Information Technology, Kalyani, West Bengal is an autonomous Institute under Ministry of Education. The Institute was set up as a society under Public Private Partnership (PPP) in May 2014 with an objective to produce human resource for Information Technology (IT) and to harness the multi-dimensional facets of IT in various domains. The Institute was declared as an Institute of National Importance by the Indian Institute of Information Technology (Public-Private Partnership) Act, 2017. The following academic courses i) B.Tech in Computer Science ii) B. Tech in Electronics & communication engineering are run by the Institute successfully.

1.2 Budget and Expenditure

The budget and expenditure (Institute internal receipt) for the period covered under audit is given below:

Year	Non-Plan (Institute receipts rec)		Plan (MoE-Non-rec)	
	Allotment (₹ in lakh)	Expenditure (₹ in lakh)	Allotment (₹ in lakh)	Expenditure (₹ in lakh)
2022-23	891.22	928.85	1700.00	1475.92

1.3 Audit objectives

The objectives of the audit were to ascertain whether:

- (i) compliance with the applicable rules and regulations were made
- (ii) the purchases, maintenance and utilisation of assets, equipments, consumables, etc. were done as per applicable norms
- (iii) the sanction and payment of pay and allowances, TA/LTC claims etc. were in conformity with the GOI rules/orders
- (iv) construction work, AMC works and other outsourcing works are undertaken following the prescribed norms and guidelines

- (v) other works undertaken by the office are appropriate, authentic and approved by the competent authority etc.
- (vi) Finance management was efficient with reference to the availability of funds and their optimum utilization.
- (vii) A monitoring mechanism exists to ensure the effective utilization of the available resources.

1.4 Audit sample, Scope of audit and audit methodology

Audit Audit test checked 245 vouchers along with related records/registers etc. during the period covered in audit on the accounts of the Office of the The Indian Institute of Information Technology, Kalyani (IIITK), Block-A, Phase-III, PO: Kalyani, Nadia, West Bengal-741235 for the period from 01.04.2021 to 31.03.2023 was conducted by an audit team of the Office of the Director General of Audit, Central, Kolkata, under Section 19(2) of the Comptroller and Auditor General's Duties, Power and Conditions of Service Act, 1971. The audit commenced with an Entry Conference with the Director on 09.10.2023 where the audit objectives, scope and methodology were explained. The audit team scrutinized the records produced to audit. Audit queries/memos were issued to the unit during the course of audit. Exit Conference was held with the Commandant on 18.10.2023 wherein audit findings and other issues were discussed. Replies received from the unit and deliberations during the Exit Conference have been considered and suitably incorporated.

1.5 Audit criteria

Audit criteria were derived from the following sources:

- (i) General Financial Rules, 2005 and 2017;
- (ii) R&P Rules, 1983;
- (iii) FR&SR (Part I to IV)
- (iv) Acts, Statutes & Bye Laws of the Institute, Minutes of Board of Governors,
- (v) Income Tax Act.
- (vi) GST Act

PART-II

(Audit Findings)

PART-II-(A)

(Significant Audit Findings)

Reference Number: OBS-1009574

2.1[Part(II A)] Short payment of Minimum wages to Contractual Staff for ₹67.46 lakh

As per Section 3 of the Minimum Wages Act 1948, appropriate Gov't will fix minimum rate of wages for different works from time to time.

As per Rule 23(1) & (4), of the Minimum Wages (Central) Rules, 1950, an employee in a scheduled employment in respect of which minimum rates of wages have been fixed under the Act, shall be *allowed a day of rest every week* (hereinafter referred to as "the rest day") which shall ordinarily be Sunday, but the employer may fix any other day of the week as the rest day for any employee or class of employees in that scheduled employment. Provided that the employee has worked in the scheduled employment under the same employer for a continuous period of not less than six days.

Test check of records revealed that the O/o the Indian Institute of Information Technology, Kalyani, Nadia had made agreement with M/s Star Security & Detective Agency Pvt. Ltd. for providing Security service, Sweeping & cleaning services, Unskilled and Skilled (Supervisor and Caretaker) service at Kalyani Office premises including Director's residence and Boy's & Girls Hostel (Category A area) during the period 2022-23 in daily wages basis.

But, the agreement did not comply with the minimum wages of the services as notified from time to time by the Ministry of Labour & Employment, Govt. of India. Further, the daily rates of wages paid to the contractual employees were less than the prescribed rate of minimum wages applicable for Kolkata (*Category A area*).

Audit also noticed that the O/o the Regional Labour Commissioner (C)/ Kolkata had issued a letter dtd 29.09.2020 to IITK authority for attending in a joint discussion to settle the 'Industrial Dispute' between the management of Star Security & Detective Agency (contractor of IITK) over non-payment of Central Minimum wages against the prayer made by the INTUC, Nadia to Regional Labour Commissioner (C)/ Kolkata vide letter dtd. 17.02.2020. Later, in BoG Meeting held on 23.02.2022 a proposal to pay the outsourced manpower at Central Govt. rates had been taken and accordingly the Institute had issued an order dtd. 01.04.2022 for providing 'Revised wages rate of manpower' to Security personnel (unarmed) as per Central Labour rate [@ ₹ 437/- (Category -C area)] w.e.f. 01.01.2022. But, the decision made the said order for adopting Central Labour rate for '**Category -C area**' was irregular as the IIT, Kalyani came under '**Category A area**'. Moreover, IITK did not comply with the minimum wages of the services as notified from time to time by the Ministry of Labour & Employment, Govt. of India.

This had resulted in short payment of minimum wages to the tune of ₹28,45,986/- during the period 2022-23 as shown in **Annexure-I** .

The similar issue was pointed out by previous audit vide Para no. 2.6 of IR No. 160 of 2022-23 involving money value of ₹ 38,99,636/-. Therefore, the total money value came to ₹ **67,45,622/-** (₹38,99,636 + ₹28,45,986) .

In reply the Institute stated that the audit observation was noted. The Institute was paying at a rate above minimum wages prescribed by Govt. of West Bengal. The Institute decided to pay Central Govt. rate and the same was proposed to BoG and the approval was taken in order to make payment in future if fund permits. As per current situation , the institute was running in self-sustainable mode and no fund was received from Central Govt. in this regard. Hence, the payment was not made as per Central Govt. rate. In future the guidance given by the audit would be followed and matter might be reconsidered considering the financial impact, self sustainable mode and small size of the Institute.

Necessary action may be taken under intimatin to audit.

PART-II-(B)

(Other incidental audit findings)

Reference Number: OBS-1021197

2.2 [Part(II B)] Outstanding Fees and Hostel charges-Rs.36.34 Lakh

It was seen from the Schedule-8: Loans Advance & Deposits in the Annual Accounts for the year 2022-23 that even at the end of the financial year 2022-23, fees of ₹78,21,359 for the year 2021-22 and ₹49,73,672 for the year 2022-23 and Hostel charges of ₹89,170 for the year 2021-22 was outstanding.

In reply to Audit Enquiry Reference No. 14 dated 17.10.2023, Institute informed that total outstanding was ₹17.30 lakh for the year 2021-22 and ₹18.15 lakh 2022-23 and hence total outstanding was ₹36.34 (17.30+18.15+0.89) lakh as per **Annexure-II** enclosed. In case of Hostel charges Institute replied that it was inter fund adjustment between institute and hostel and would be reconciled.

Necessary action may be taken under intimatin to audit.

Further reply is awaited.

Reference Number: OBS-1017057

2.3 [Part(II B)] Wasteful expenditure due to idling of DG Set including avoidable expenditure of ₹ 7.92 lakh

It was mentioned in the previous Inspection Report for the period 2018-19 (Para no. 2.2) that the Indian Institute of Information Technology, Kalyani (IIITK) had entered into an Agreement with WBEIDC for different Rooms at WEBEL IT Park at Kalyani at the monthly rent in February 2017 as agreed by both parties to use the space containing the super-built area for the different rooms. The Institute was also paying the Electricity consumption bill for the WEBEL IT Park, Kalyani. The WBEIDC while raising the Electricity Bill challan for the Institute was raising the bills for the Normal AC consumption and for DG supply at the different rate on the basis of units consumed by the Institute for each of the room leased at the WEBEL IT Park. From the bills raised by the WBEIDC for the Electricity payment it was found that the institute had paid Rs. 0.78 lakh during the year 2018-19 for DG Supply.

Further, Para 1.1 of IR No 18 of 2017-18 pertaining to Audit period 2015-16, it was pointed out that, IIIT Kalyani issued a work order to a Contractor for Supply, Installation Testing and Commissioning of DG set at a cost of ₹6.25 lakh in August 2015. The Contractor supplied the DG set in November 2015 but it was not installed till March 2017 due to technical reasons pertaining to IIIT Kalyani. However, no logbook regarding usage of the generator was available, which indicated that the generator was lying idle at the old premises of the IIIT Kalyani i.e. at the JIS College of Engineering Campus, West Bengal.

The Institute in its earlier reply dated 24th July 2019 stated that Generator set was purchased considering power crisis in JIS College Campus at that time and now the IIIT Kalyani has been shifted to WEBEL IT park wherein the Generator Set exist in case of power failure. In further reply the Institute stated that they would use the Generator set in the new campus of IIIT Kalyani being built by the CPWD.

In this respect, it may be stated that despite the purchase of DG set owing to the power crisis at the old campus of the Institute, it was never installed at the JIS College campus. Therefore, the DG set was purchased without any assessment of requirement of the Institute and the non-utilization of DG Set for a period of more than 8 years has subsequently reduced the utility of DG set since the depreciation rate for the Electric equipment is 15 per cent per year. Also, the Institute's reply that the DG set will be used at the new campus when it will be ready for use, when the utility of the DG is already reduced, is injudicious.

The Institute could also have avoided the payment of the DG set charges amounting to **₹0.78 lakh (as Annexure-III)** in year 2018-19 and similar charges in 2017-18 at campus of WEBEL IT Park by utilizing the DG set lying idle at the old campus.

The Institute could also have avoided the payment of the DG set charges amounting to **₹0.89 lakh (as Annexure-IV)** in year 2022-23. In this context, DG set charges during 2019-20, 2020-21 & 2021-22 at campus of WEBEL IT Park were not provided to present audit.

Thus, the idling of DG Set for a considerable period of more than 8 years resulted in wasteful expenditure of ₹6.25 lakh excluding avoidable expenditure of ₹1.67 lakh during 2018-19 & 2022-23. Total avoidable expenditure was **Rs.7.92 lakh (6.25+1.67)**.

In reply the Institute stated that the institute is currently operating through a rented building where the DG Set is already installed . The DG Set was bought in the year 2015, but due to various factors could not be installed as on date .

Necessary action may be taken under intimation to audit.

Further reply is awaited.

Reference Number: OBS-1020611

2.4 [Part(II B)]Non-recovery of IT TDS amounting to ₹ 7.35 lakh

As per Schedule-8 : Loans, Advances and Deposits : TDS recoverable for ₹ 734656/- was shown under the head Income accrued.

An audit query dtd. 13.10.2023 was issued for furnishing the detail of such TDS present status alongwith recovery status.

In reply of Audit Enquiry dtd. 18.10.2023 , the Institute stated that the amount of TDS pertains to A.Y.2017-18. The ITR for the particular was not filed and the same is under rectification and soon the return would be refiled after approval of Income Tax department , which was under process.

However, the above amount was lying un-recovered/ unadjusted till date of audit .

Necessary action may be taken under intimation to audit.

Further reply is awaited

Reference Number: OBS-1019247

2.5 [Part(II B)] Advance (non-interest bearing) lying unadjusted for ₹0.20 lakh

As per Rule 323(1) of General Financial Rule 2017 regarding Advance for contingent and miscellaneous purpose, The Head of the Office may sanction advances to a Government

Servant for purchase of goods or services or any other special purpose needed for the management of the office, subject to the following conditions: -

- (i) The amount of expenditure being higher than the Permanent Advance available, cannot be met out of it.
- (ii) The purchase or other purpose cannot be managed under the normal procedures, envisaging postprocurement payment system.
- (iii) The amount of advance should not be more than the power delegated to the Head of the Office for the purpose.
- (iv) The Head of the Office shall be responsible for timely recovery or adjustment of the advance.

Further, As per Rule 323(1) of General Financial Rule 2017 The adjustment bill, along with balance if any, shall be submitted by the government servant within fifteen days of the drawal of advance, failing which the advance or balance shall be recovered from his next salary(ies). Test check of Advance register along with relevant vouchers of IIIT, Kalyani revealed that the adjustment bills of such advances paid to officials were not submitted even after the expiry of stipulated time (fifteen days) as detailed in **Annexure-V**.

In reply the Institute stated that the advance of ₹5000/- given to hostel wardens for taking care of small and emergency needs of recurring nature arising in the hostel. However, as suggested by audit the advance would be closed on yearly basis .

Necessary action may be taken under intimation to audit.

Reference Number: OBS-1016897

2.6 [Part(II B)] Excess payment to Govt. Counsel on account of Clerkage for ₹0.03 lakh

As per OM No. 26(1)/2014/judl. dated 1st October 2015 issued by Ministry of Law & Justice (Deptt. Of Legal Affairs), Govt. of India, regarding payment of fee to various categories of Central Govt. Counsels, no payment for 'Clerkage' should be made to Counsels in Supreme Court and High court (including Tribunals).

Test check of vouchers in this regard (payment of fees to counsels) revealed that 'Clerkage' amounting to ₹2880/- had been paid @ 10% of fees to Govt. Counsels/Advocates as detailed below. This was not in order and requires necessary action.

Sl. No.	Voucher No.	Date	Total fees paid (including Clerkage)-(₹)	Amount of Clerkage (₹)
1	560	27.03.2023	61632	2880
Total				2880

The above cases are illustrative and not exhaustive. Other similar cases if any, may be reviewed and result may be stated to audit.

In reply the Institute stated that the clerage charges was very nominal as the learned person had claimed fees for two hearings . Reply of the unit is not tenable .

Necessary action may be taken under intimation to audit..

Reference Number: OBS-1006333

2.7 [Part(II B)] Inadmissible employer's NPS contribution for ₹0.02 lakh

Govt. of India, Ministry of Finance, Deptt. Of Expenditure vide their OM No.F.No.1)T)(2)/2003/TA/19 dt.14.1.2004 & 4.2.04 have introduced a New Defined Contribution Pension Scheme replacing the existing System of Defined benefit Pension System. The New Pension Scheme comes into operation w.e.f. 1.1.2004 and is applicable to all new entrants to Central Govt. service

In line with the decision of GOI to introduce NPS for new entrants recruited in Central Government service on or after 1/1/2004, it was decided by the Govt. of India, Ministry of Finance, Department of Expenditure that all new entrants in all Central Autonomous Bodies (CAB) under various Central Ministries/Departments recruited on or after 1/1/2004 will also be governed by the NPS.

As per the NPS Rule, recoveries towards Tier-I contribution will start from salary of the month following the month in which the Govt. servant has joined service. Therefore, no recovery will be effected for the month of joining.

Test check of records revealed that during the month January, 2022, the IIIT, Kalyani had made recoveries of employee's NPS contribution from the salary of the first month of new entrants at the prescribed rate i.e. 10% of the Basic pay + Dearness allowance. Similarly, the Institute also contributed its NPS contribution @14% of the Basic pay + Dearness allowance in the employees NPS Account. In a way, the Institute has contributed ₹2333/- (as calculated in the table below) towards employer's contribution to NPS fund in the respective employees' NPS Account.

Sl. No.	Name of the employee	Designation	Date of joining	Basic pay (₹)	DA	Total	Employee's NPS contribution (10%)	Employer's NPS contribution (14%)
1	Prof. Sumit Kr. Debnath	Asstt. Prof.	28-06-22	101500	34510	136010	1360	1904
2	Dr. Amit Ranjan Azad	Asstt. Prof.	31-05-22	70900	24106	95006	307	429
Total							1667	2333

This has resulted in inadmissible contribution of ₹2333/- on account of Employer's NPS contribution in the NPS account of new entrants in their first month of joining the government service.

In reply, the Institute stated that the point was noted and necessary action would be taken.

2.8 [Part(II B)] Non Procurement of Services through GeM

As per Rule 149 of General Financial Rule 2017, the Procurement of Goods and Services by Ministries or Departments will be mandatory for Goods or Services available on GeM.

Further, As per Office Memorandum no. F.6/08/2019-PPD dated 23.01.2020 issued by Department of Expenditure, Ministry of Finance, it will be mandatory for a buyer to generate a "GeM Availability Report and Past Transaction Summary with a unique ID on Gem portal using his login credentials on Gem for procurement outside Gem.

Test check of files related to Manpower services for engaging Security (armed and unarmed), Cleaning, Supervisory & Caretaker and Rent-a-Cab services revealed that unit has not adhered to the above rule provision

In reply the Institute stated that the point is noted and would be followed for procurement of services through GeM.

2.9 [Part(II B)] Observation on Best Available Fare being the cheapest rate

As per OM F.No.31011/12/2022-Estt.A-IV Dated 29th August,2022,& No 19024/03/2021/E-IV Dated 31st Dec 2021, in all cases of air travel in respect of LTC, air tickets shall be purchased only from the three Authorized Travel Agent. Further, Government employees are to choose flight having the Best Available Fare on their

entitled travel class which is the Cheapest Fare available. For the purpose of settlement of the LTC claims, they are to retain the print-out of the concerned webpage of the ATAs having flight and fare details for the purpose of the settlement of the LTC/TA claims.

Test check of vouchers revealed that the department had sanctioned & passed payment of ₹14469 in respect of TA air travel without submitting the chart of **Cheapest Fare available**, which is in contravention of the above rule.

Details of such air fare are as follows.

Sl No	Dr/Name & Designation	Dt of Journey	Mode of Transport	Route	Amount (₹)
1	Muruganathan Pomuswamy (Dy Register)	17.4.2022	Air	Kolkata to New Delhi & Back	14469

Similar cases if any may be reviewed, and necessary action may be taken under intimation to audit.

In reply the Institute stated that it would be strictly followed.

2.10 [Part(II B)]Appointment of Review committee to evaluate the performance of the Institute

The Indian Institute of Information Technology Kalyani, being a society registered under the Societies Registration Act, 1860 (21 of 1860) was incorporated by the Indian Institutes of Information Technology (Public-Private Partnership) Act, 2017 on 09.08.2017.

Section 25 (1) of the IIIT Act, 2017 states that the Institute shall, within five years from the date of establishment and incorporation under this Act and thereafter at the expiration of every fifth year, constitute, with the prior approval of the Board, a review committee or shall appoint an agency as a third party to evaluate the performance of the Institute and its achievements with respect to its objectives during the said period.

The Review Committee was to be appointed by IIIT, Kalyani on 22 May, 2019 to evaluate the performance of the Institute, as the Institute was established on 21 May, 2014.

Audit observed from the reply of the IIIT Kalyani that appointment of review committee to evaluate the performance of the Institute as per above mentioned clause of the Indian Institutes of Information Technology (Public-Private Partnership) Act, 2017 has not

been made. Further, Institute stated that the review committee will be appointed by it to evaluate the performance of the Institute.

2.11 [Part(II B)]Non- conducting of physical verification of Assets

Rule 213(1) of GFR 2017 provides that fixed assets should be verified at least once in a year and the outcome of the verification recorded in the corresponding register. Discrepancies, if any, shall be promptly investigated and brought to account. Rule 213(2) further stipulates that physical verification of all the consumable goods and materials should be undertaken at least once in a year and discrepancies, if any, should be recorded in the stock register for appropriate action by the competent authority

Despite mention in previous Inspection Report (para 2.7 of IR NO. 21-22/138) the Institute did not conduct physical verification of assets/equipment i.e. IT Equipment (Computer, Printer, Scanner) etc., and other assets for the period 2022-23.

In reply, the Institute stated that the point observed by audit was noted and necessary steps would be taken for conducting of physical verification of assets.

Part-III

(Follow up on outstanding observations of previous Inspection Reports)

There were 13 no of audit paras outstanding due to non-submission of replies and/or pending of necessary actions by the auditee unit. Based on replies/discussion/reviews of the cases during the present audit, the present status of the paras is given below.

IR No.	Para No.	Period	Part	Subject	Reply of the Institute	Remarks
20-21/86	2.1	18-19	II-B	Excess payment on Guest Faculty Remuneration amounting to Rs. 9.12 lakhs	The matter is noted and as per the reply received from the ministry (Annexure-I), Institute has fixed the rate for guest faculty remuneration as per UGC norms @ Rs. 1500/hour from January 2023 onwards instead of earlier rate of Rs. 2500/hour.	Though the rate of remuneration has been revised w.e.f. January 2023, the Institute did not furnish any reply regarding excess payment made upto December, 2022. Hence, Para stands

2.2	18-19	II-B	Blockade of Fund amounting to Rs. 22.77 lakhs	<p>An advance amount of Rs. 2,11,11,046.00 was given to WEBEL for infrastructural work in of IIT Kalyani at Phase-I, WEBEL IT Park, Kalyani. But estimated cost of work till 27.05.2019 was Rs. 1,88,33,870/- Later, additional modification work was done and total updated expenditure came to Rs. 1,98,54,862.00 as on 25.11.2021. So unspent amount of advance lying with WEBEL was Rs.12,56,184/- (RS12.56/-lakh) not Rs. 22.77 lakhs. WEBEL has submitted expenditure report along with utilisation certificate after the completion of the work and refunded the unspent amount of Rs. 12,56,184.00 on 14.12.2021 (Annexure-II) Therefore, the advance amount of RS 2,11,11,046.00 given to WEBEL for infrastructural work accounts is fully settled in the F.Y. 2021-22 and the same was also informed CAG. Thus, the para will be settled in the upcoming audit.</p>	Since the adjustment of the entire amount has been received from the WEBEL and the unspent fund has also been recovered by IIT, Kalyani, the Para may be settled.
2.3	18-19	II-B	Wasteful expenditure of Rs. 6.25 lakhs due to idling of DG set	<p>The institute is currently operating from a rented building where the DG Set is already installed. The DG Set was bought in the year 2015 but due to various factors could not be installed as on date. The matter was highlighted by audit and as suggested by the audit the DG Set was placed for sale many times but suitable buyer could not be found. Finally, in the current F.Y. 2023-24 a buyer is found the DG Set as suggested by audit will be hopefully disposed of in the current financial year.</p>	Para has been updated and incorporated in current inspection report, Hence the previous may be deleted.

	2.5	18-19	II-B	Irregular fixation of pay of Assistant Registrar	As suggested by Audit, a letter is sent to ministry seeking approval in this regard (copy attached) and reply from the ministry received on 29 th December 2022 regarding to follow recommendation of the Finance Committee in this regard. The Finance Committee ratified the appointment and suggested to get approval of the same from the BoG. In the subsequent BoG meeting held on November 21 it was approved the recommendation of the Finance Committee and the Ministry in its reply 29 th December 2022. (Annexure-III)	At the instance of audit, the matter was brought to the notice of the Ministry. Ministry has directed to consider as per the extant norms and recommendations of the Finance Committee. The Finance Committee ratified the appointment which was approved by BOG. Hence, the para may be settled.
21-22/138	2.6	19-20	II-B	Irregular Maintenance of Register	As suggested by the audit, the Bill register, CEA Register, T.A. register are being maintained by the institute & shown to the Audit from the financial year 2022-23.Hence the para may be settled.	In view of reply, the para may be treated as settled.
	2.7	19-20	II-B	Physical verification of assets regarding	The institute has purchased asset management software and all the data entry has been completed. Physical verification report will be submitted accordingly once the all formalities regarding numbering of assets, identification of custodian etc. are completed.	Para has been updated and incorporated in current inspection report, Hence the previous may be deleted.
	2.8	19-20	II-B	Miscellaneous issues	<p>1. Personal Gunman Security of Director: As instructed by the audit a letter is sent to the District Magistrate on 22nd dec,2022. The copy of the same is attached herewith. Hence the para may be settled. (Annexure-IV)</p> <p>2. Details of Bonus given to Star Security and detective agency: Institute is not having any</p>	<p>In view of reply, the para may be treated as settled.</p> <p>In view of reply, the para may be treated as settled.</p>

					contractual obligation to pay bonus and the payment made as one time due to the Covid pandemic. The bonus was given as stop-gap arrangement as the earlier agency did not pay wages for the employees under them. So, the amount was paid to the new agency i.e. Star Security & Detective Agency in order to compensate for the wages not paid by the earlier agency i.e. Awadh Security Services. The bonus is not paid every year and institute is also not under any obligation to pay the bonus. This amount was paid as bonus in order to overcome the uncertain situation due to denial of service from the earlier vendor.	
22-23/160	2.1	21-22	II-B	Improper payment of Honorarium of Rs. 36000/-	The payment to Ms. Amrita Mukherjee has been made in commensurate with the quality of work carried out by her, as verified by the Investigator. The audit objection has been noted and will be followed in all future such cases. Appointment Order copy attached (Annexure-IX).	At the instance of audit, necessary appointment order was issued in favour of Ms. Mukherjee. Hence, the para may be settled.
	2.2	21-22	II-B	Irregularities in allowing HRA exemption of Rs. 33696/-	The Institute noted observation given by the audit regarding HRA exemption in respect of Dr. Debasish Bera & action has been taken in this regard by disallowing the HRA exemption for FY 2021-22 by revising the Form 16 & the other similar cases for previous year were also looked into & necessary recoveries are made for FY. 2021-22, 2020-21 & 2018-19 from the salary of March, 2023 & May, 2023 (relevant copies attached in Annexure-V). Hence, the para may be settled.	Recoveries have been made, Hence, the para may be treated as settled.

	2.3	21-22	II-B	Avoidable expenditure on advertisement of Rs. 25978/-	The advertisement made for the post of teaching faculties lying vacant for a long time. The Institute tried to get DAVP rates but the same was not provided by Times of India. But since it was necessary to fill up the long vacant post the advertising agencies which are also serving in other premier Institute are hired at a similar discounted rate provided to them & matter was informed to the BOG Chairman & hence the advertisement was made with the approval of BOG Chairman (Annexure-VI). Hence, the para may be settled.	In view of of reply the para may be treated as settled.
	2.4	21-22	II-B	Irregular reimbursement towards purchase of Air Tickets from Private agency of Rs. 19619/-	As observed by the audit the Institute is strictly following the O.M. 19024/03/2021 dated 16.06.2022 regarding the purchase of air tickets from the authorised agents of the Government like IRCTC, Ashok Travels & Balmer Lawrie in all cases. After the observation from audit in no case the reimbursement is made to the employee where the tickets are purchased from other than authorised agents. Hence the para may kindly be settled. (Annexure-VII).	In view of reply, the para may be treated as settled.
	2.5	21-22	II-B	Less deduction of TDS amounting to Rs. 5324/-	It is informed that TDS is deducted on the hiring charges paid to M/s Anand Travels. But since the audit team observed that the TDS should be deducted on the entire payment including fuel & other charges so considering the suggestion from the audit TDS is being deducted with effect from October,2023 for the payments made to the vendor. Copy of the	In view of of reply the para may be treated as settled.

					voucher regarding the same is attached for reference. So, requesting the Audit that the para may be reviewed and settled. (Annexure-VIII).	
	2.6	21-22	II-B	Short payment of minimum wages of Rs. 38.99 lakh	The point is noted. The wages paid to the security personnel is above the minimum wage rate of Govt. of West Bengal. The institute decided to pay at par with Central govt. rates but the same could not be achieved due to financial constraint and shortage in budget. The point may be reconsidered as the institute is an upcoming institute on self-sustainable basis.	Para has been updated and incorporated in current inspection report, the previous may be deleted.
