Advt. No. IIITK/ACADEMIC/PHD/22-23/18   **Date: 31.05.2022**

Ph.D Admissions 2022-23 (Autumn Semester)

Applications are invited from eligible Indian Nationals for admission to the Doctor of Philosophy (Ph.D.) programme in the Spring Semester, 2022-23. This programme will be offered in Computer Science & Engineering (CSE), Electronics and Communication Engineering (ECE), Mathematics and Physics (Space and Atmospheric Sciences). Admissions are offered in the following categories:

i) Research Fellow: A student with confirmed fellowship from any recognized funding agency may apply in this category. The student has to devote **full time** in research and help in the teaching process. For those without any fellowship, limited number of Teaching Assistantship @25000/- per month may be available for a period of a maximum of five years. All students in this category is required to provide service of 6 hours per week as teaching assistant in theory and/or laboratory courses.

ii) Sponsored: A student may be sponsored by a recognized R&D organization, academic institution, government organization or industry for doing research in the Institute on a **full-time** basis. He/she must be a regular employee of the sponsoring organization with at least two years of professional experience in the respective field.

iii) External: A student should be employed in an R&D organization/academic institution of national repute/industry having adequate research facilities. The research work leading to the Ph.D degree may be carried out largely in the parent organization of the candidate under a Local Supervisor from the organization but with the overall guidance provided by a faculty member (Institute Supervisor) of the Department/Centre in which he/she is registered. Such a candidate will have to complete the course work and other requirements of the Institute and will have to take official withdrawal after completion of the requirements to continue work in his/her parent organization.

iv) Part-time: A student be a professionally employed person (including the staff of IIIT Kalyani), who pursues the Ph.D programme while continuing the duties of his/her service. He/she must be a regular employee of that organization with at least *two years* of professional experience in the respective field.

v) Project Staff: A student should be working on a sponsored project in IIIT Kalyani. The remaining duration of the project at the time of admission should be at least one year.

ELIGIBILITY CRITERIA
For admission to the Ph.D. Programme in various disciplines a candidate must satisfy the following criteria:
For Engineering Disciplines
   One of the following criteria be satisfied:
1. Master's degree in Engineering/Technology in a relevant area with a minimum CGPA of 6.5 (out of 10) or 60% of marks.
2. Bachelor's degree in Engineering/Technology in a relevant area with a minimum CGPA of 7.5 (out of 10) or 70 % of marks. The candidate should be GATE/NET qualified.
