**IIIT Kalyani**  
West Bengal

Prof. Partha P. Chakrabarti

# Words of Mentor Director

It is my pleasure to introduce you with one of the youngest and vibrant Technological Institute in Eastern India, Indian Institute of Information Technology kalyani, West Bengal.

IIIT Kalyani has been set up by MHRD (Government of India), Government of West Bengal and Industry Partners on a N-PPP basis. Additionally Government of West Bengal has lent support to the institute by granting 50 acres of land for setting up the campus. The Institute is located in the calm, peaceful, serene city of Kalyani which is within an hour's drive from the bustling metropolitan city of Kolkata.

The major objective of IIIT Kalyani is to set up a model of education which can produce best-in-class human resources in IT and harnessing the multidimensional facets of IT in various domains. The institute will evolve into a world-class academic institution with the highest quality of Education and Research Facilities.

Established in the year 2014 the "Newness" factor of IIIT-Kalyani allows us to be constantly dynamic in our curriculum. We enjoy the flexibility to quickly respond to these rapidly changing global socio-economic conditions and can efficiently adapt the best practices of leading Technical institutes. We consider this agility essential for Technical Education today.

With the NASSCOM Head of Eastern Region, FICCI, CII associated with this institute the students will have a advantage in getting Internships in major Industries of the country. We look forward to build a long lasting and mutually beneficial relationship with you.

## 16 March, 2017

IIIT Kalyani has received status of Institute of National Importance

The parliament has passed the IIIT Act where in Indian Institute of Information Technology Kalyani has received the status of Institute of National Importance, giving the authority to award Degrees to all our students.

# THE INSTITUTE

The Indian Institute of Information Technology Kalyani has been setup with an objective to produce best-in-class human resources in Computer Science and Engineering (CSE) and to harness the multidimensional facets of CSE in various domains. IIIT Kalyani strives to evolve into a world-class academic institution with the highest quality of education and research facilities and produce industry ready CSE graduates to meet the industry demands. The institute will act as a catalyst in fostering an innovative entrepreneur-focused ecosystem to ensure that new products, solutions and IP are created in the State taking advantage of the intellectual capital of the State.

IIIT Kalyani has been set up at Kalyani, West Bengal by Government of India (MHRD), Government of West Bengal and industry partners on a Not-for-profit Public Private Partnership (N-PPP) basis, being funded in the ratio of 50:35:15, respectively, by the above three parties. Additionally, the Government of West Bengal has lent support to the institute by granting 50 acres of land for setting up the Campus. The industry partners of IIIT Kalyani are Coal India Ltd. and Rolta Foundation for the present. The institute is run by the Governing Body of IIIT Kalyani whose members include the representatives of Government of India (MHRD), Government of West Bengal, industry partners and eminent people from academia, industry and civil society.

Presently, the institute is being mentored by Indian Institute of Technology Kharagpur with Prof. Partha P. Chakrabarti, Director, IIT Kharagpur as our Mentor-Director and Prof. Anupam Basu, Director of NIT Durgapur as Executive Director/Professor-In-Charge.

IIIT Kalyani has been attributed the status of Institute of National Importance (INI) by the cabinet in March 2017. While construction has started in the land provided, the institute is presently running from the temporary campus at Webel IT Park, Kalyani.

5G and beyond, IoT based  
Embedded system, Radio  
wave propagation, Satellite  
communication, RF and  
microwaves.

**Dr. Anirban  
Lakshman**  
Ph.D. [IIT(ISM)  
Dhanbad]  
Dept : Mathematics

Mathematical Modeling,  
Elastodynamics, Theoretical  
Seismology, Solid  
Mechanics.

# Faculties

# UG ADMISSIONS

## Course Offered

- Computer Science & Engineering  
Bachelor of Technology  
Duration : 4 Years

i

The admission to B.Tech. program of IIIT Kalyani is done through all India examination JEE Main and the seat allocation is done centrally as per JoSAA norms. For 2018-19 batch there will be admissions to 130 students in CSE discipline only.

## SEAT MATRIX

CATEGORY	OPEN	OPEN-PWD	SC	SC-PWD	ST	ST-PWD	OBC-NCL	OBC-NCL-PWD	TOTAL
Gender-Neutral	63	3	18	1	9	1	33	2	130
Female-only (including Supernumerary)	0	0	0	0	0	0	0	0	0

# Training & Placement

The institute has a very active Training and Placement cell which looks into the placement for its students. The objective of the institute training and placement cell is to help student's identify their career goals and provide an edge into the present day competitive job market. The scope of work of Placement Cell extends from organizing personality enhancement and career development workshops to providing internships to students in various organizations and preparing students for the final placement. For the first batch of students around 14 companies had conducted interviews (on campus/online) and the offers received is 85% of the total number of students. The offers were received from various reputed companies/institutes such as NDL, FOSSEE, Smartprix, Mihup, Infologitech, Sparrow etc.

The institution encourages and facilitates internships in reputed industry houses during their vacation. In addition the institute also undertakes joint programs with industry to facilitate collaboration with the industry. All students of 1st batch (2014-2018) were offered internships in reputed organizations like, IISc Bangalore, IIT Kharagpur, IIT Bombay, C-DAC Kolkata, C-DAC Pune, VECC Kolkata, SNLTR Kolkata, SkyBits Technologies Pvt. Ltd. They are working in national level projects like National Digital Library, FOSSEE and others.

100% of the Second batch of students(2015 - 2019) who are currently in their 3rd year are also pursuing internships in reputed institutes like IIT Kharagpur, IIT Patna, NIT Durgapur, NIT Kurukshetra, C-DAC Pune etc.

Mr. Sudeep  
Chowdhury

Training and  
placement cell  
officer

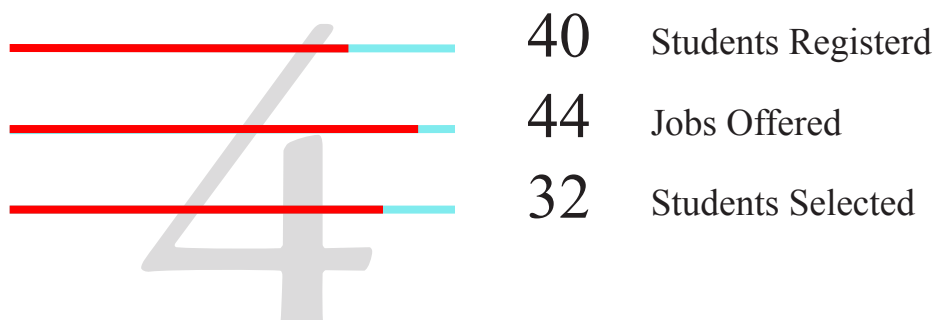

To highlight about student-industry interaction, at the end of 3rd, year students from undergraduate engineering streams go for a summer internship as a part of the course curriculum. This summer internship programme helps the industries to harness our talents. It is my pleasure to introduce TPC which looks after the placement activities of the students at IIIT Kalyani. We have the required facilities to conduct placement sessions, video conferencing etc. to organize campus placement activities. We provide all the possible support and guidance to the students for this purpose. I invite esteemed organizations to visit our campus for the recruitment. Your visit shall provide a platform to utilize the technical knowledge and motivated young talent of our students establishing a synergetic interface. Besides I also invite the companies to take our third year undergraduate students for summer training/internship.

## Placement Status 2017-18

IIIT Kalyani had a successful placement session during 2017-18. Some of the companies where the students got placed are: NDL, FOSSEE, Ittiam, Mihup, Apt Software, Smartprix, Infologitech Systems, Adecco etc. The selection process for some companies are still going on. The students got offers from both on-campus and online/off-campus selection process

## REGULATORY RULES

Compliance to Institute Rules :

All students are bound by the institute rules and must obey such orders as may be issued from time to time by the competent authority. Serious breach of institute rules may entail removal from the institute. The following rules should be rigidly adhered to.

(i) Disorderly or indecent conduct on the campus will lead to strict disciplinary action.

(ii) Students are liable to have their names entered in the Conduct Register maintained by the office of the Registrar for offences indicated below :

- Disobedience to order
- Absence without leave
- Insubordination or disrespect to the members of the institute.

(iii) Students may be expelled for habitual or gross misconduct or for continued absence or neglect to work, or for frequent entry of their names in the Conduct Register.

(iv) Smoking within the campus including the Class Rooms, Laboratories and Workshops etc. is strictly prohibited.

(v) The inmates of a class room are collectively held responsible for the care of fittings and furniture in and, near their class rooms. Any damage, other than that due to normal wear and tear, will be chargeable to the inmate(s) responsible for the damage.

(vi) IIIT Kalyani is a ragging free campus. Students found involved in the act of ragging will be strictly punished as per rules.

(vi) It is mandatory for the first year students to opt for hostel facilities.

## HOSTEL

The institute provides accommodation for outstation students on payment basis in rented apartments. Separate accommodation is provided for boys and girls students. The institute has hired four hostels, three for boys and one for girls. The hostels are well situated accessible to all conveniences (playgrounds, market, railway station, bus stops). All the hostels are equipped with WiFi and 24 Hrs security.

## MEDICAL SERVICES

Medical facilities in case of emergencies are facilitated by the institute. There is arrangement with JNMH at Kalyani for medical emergencies. This hospital is at a very comfortable distance from both the hostel and college. Treatment for all types are facilitated here.

## GUEST HOUSE

The institute has its own guest house to provide accommodation for guest faculty, delegates who come for seminar, workshop organizers and parents.

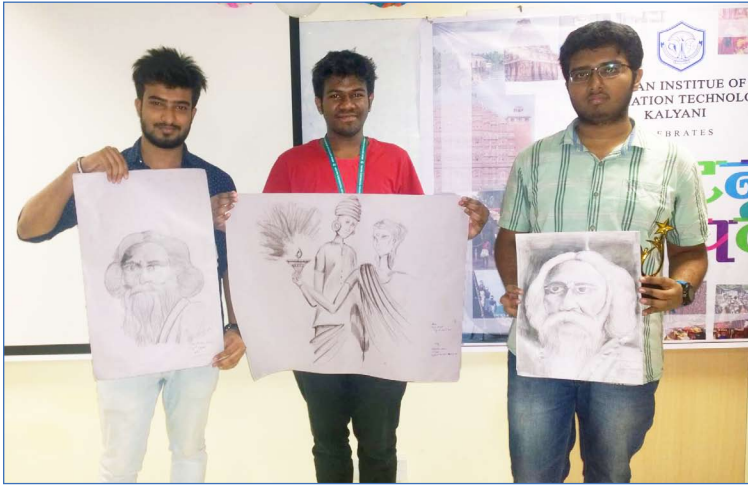

## TRANSPORT FACILITY

The institute provides the facility of transport from hostel to the campus. The timings of the bus are flexible with the time table. The institute also provide the transport facility for attending seminars or events nearby.

The institute provides information to its students for obtaining scholarships under the schemes of Central and State Governments. Since State Government and Central Government agencies have a large number of schemes to provide scholarship to students, the admission office will help the students to apply for appropriate opportunities.

Tuition fee waiver scholarship in the form of full/ half free studentship will be awarded strictly on merit cum means basis as per the notification of the W.B. Government.

## Scope of Financial Aid

Some of the information on financial aids can be found below:

- Vidya Lakshmi Portal : <https://www.vidyalakshmi.co.in/Students/>
- Mukhyamantri Medhavi Vidyarthi Yojna. The eligibility criteria for the students are:
  - Student should be domicile of Madhya Pradesh.
  - Student must secure 75% or more (in case of M.P. Board) and 85% or more (in case of CBSE/ICSE).
  - Total income should be less than 6 Lacs.
  - The details of the scheme can be found here : <http://iiitkalyani.ac.in/images/MMVYojna01.pdf>
- For the students of Bihar:
  - <http://bcebcwelfare.bih.nic.in>
  - <http://bcebcwelfare.bihar.gov.in>
- PARTIAL Freeship (Scholarship) scheme by the Government of West Bengal:
- Ten (10) students get partial freeship from Government of West Bengal. Eight (8) partial freeships are for students of West Bengal and two (2) partial freeships for students of other states. Please contact IIIT Kalyani office for details
- National Scholarship Portal : <https://scholarships.gov.in/>
