Ph.D. Admissions 2019-20

Applications are invited from eligible Indian Nationals for admission to the Doctor of Philosophy (Ph.D.) programme in odd semester, 2019. This programme will be offered in Computer Science & Engineering (CSE), Electronics and Communication Engineering (ECE), Mathematics and Physics. Admissions are offered in the following categories:

i) **External**

This category refers to a scholar employed in an R&D organization/academic institution/industry having adequate research facilities. The research work leading to the Ph.D. degree may be carried out largely in the parent organization of the candidate under a Local Supervisor from the organization but with the overall guidance provided by a faculty member (Institute Supervisor) of the Department/Centre in which he/she is registered. The Institute does not provide any assistantship/fellowship to such a student. Such a candidate will have to complete the course work and other requirements of the Institute and will have to take official withdrawal after completion of the requirements to continue work in his/her parent Institute. The Institute does not provide any assistantship/fellowship to such a scholar.

ii) **Part-time**

A student in this category is a professionally employed person, who pursues the Ph.D. Programme while continuing the duties of his/her service. A 'No Objection Certificate' from the Head of the Institution/Organization (if applicable), in which he/she is employed, must be enclosed/to be produced at the time of test/interview.

iii) **Sponsored (full-time)**

A student in this category is sponsored by a recognized R&D organization, academic institution, government organization or industry for doing research in the Institute on a full-time basis. She/he must be a regular employee of the sponsoring organization with at least one year of professional experience in the respective field. The Institute will not provide any assistantship/fellowship to such a student. Sponsorship letter must be attached with the application.

iv) **Self-Financed**

A student in this category will have to devote full-time for her/his Ph.D. Programme. The Institute does not provide any assistantship/fellowship to such a student. A candidate already with a provisional INSPIRE/other Ph.D. Fellowship offer can apply in this category.
